

PMP Question and Answers (PMP Qs & As)

The PMP®, or Project Management Professional, is an exam conducted by the Project Management Institute (PMI)®, is a globally recognized certification.

The PMP exam consists of 200 multiple choice questions that outline the five process groups based on the PMBOK Guide 6th Edition, as follow: Initiation, Planning, Executing, Monitoring and Controlling, and Closing. The PMBOK Guide 6th Edition has 10 knowledge areas, as follow Integration, Scope, Schedule, Cost, Quality, Resource, Communications, Risk, Procurement, and Stakeholders

And, as we mention above that the exam consists of 200 multiple choice questions and there are 25 questions of them are pretest questions and affect the candidate's score in the exam final result whatever you answer it right or wrong.

Passing the exam is challenging and can be easy to pass if you follow a good plan with an experience mentor like **Ahmed Y. Abdelaziz** videos after conducting a One-2-One study plan based on your objectives and your capabilities.

You will need to take a PMP Question and Answers course with 2000 questions with explanations in order to be prepared for the real test. This course will give you a real experience that you need in order to pass the actual exam on your first try.

Almost all PMP exam questions are case scenarios, which will test your ability to choose the best answer. The 8 (Simulators) mock exams in this course are mostly scenarios and are formatted just like the actual exam.

The PMP Question and Answers will teach you and guide you to improve your skills and experience of selecting the best answer. All questions come with a detail explanation of why a choice was correct and why the others were wrong. The PMP Question and Answers course contain a questions by process groups the following resources: Initiation (100 Questions), Planning (400 Questions), Executing (400 Questions), Monitoring and Controlling (350 Questions), and Closing (50 Questions).

Also, we have a group of questions by 10 knowledge areas, as follow: Integration (50 Questions), Scope (50 Questions), Schedule (50 Questions), Cost (50 Questions), Quality (50 Questions), Resource (50 Questions), Communications (50 Questions), Risk (50 Questions), Procurement (50 Questions), and Stakeholders (50 Questions).

And finally, you will get about 200 questions for the Project Management Framework that cover the first three chapters in the PMBOK Guide 6th Edition. And by the end of the course you will have an access to 8 (Simulators) mock exams. 200 questions each with 1600 questions in total and 4-hour time limit to complete each exam.
